Principal's Corner

Happy Friday FDS Families:

Well we made it another week! The weather seems to be causing a bit of craziness and sometimes causes us to dwell on the negative side of things.

I have to admit the grey skies tend to bring me down. I think we could all use a little sunshine (or a vacation to a tropical place)!

I have been making it my personal mission to help students focus on the good things in life and the blessings we have all around us.

Some of my favorite quotes:

"See the light in others and treat them as if that's all you see." Dr. Wayne Dyer

"In a world where you can be anything...choose kind" Dr. Seuss

I absolutely love the Dr. Seuss quote! And tomorrow, March 2nd is his birthday.

We will be celebrating Read Across America Day next Friday, March 8th, with an assembly. The Lion's Club will be with us to draw tickets to give away one Amazon Kindle per grade level. Our students have been reading all month and are quite excited to see if they win! Please feel free to come by and celebrate with us!

Your students are the sunshine I am seeking. I watched several students approach a student sitting alone and helped him join a group. I watched a group scoop up a friend that was injured and help them to the office. I watched a student share their story of struggle to help another struggling.

These students are amazing and full of sunshine. I will live off of that until the sunshine makes its return. But, truly, I will live off of their human kindness for ever! Thank you for allowing me to be a part of their lives. I am blessed.

Have a wonderful weekend. ~Mrs. Kattenhorn
