Foresthill Divide School
Be Safe
Be Respectful
Be Responsible

Principal's Corner

This week we will celebrate students that have achieved academic success as well as those that have achieved perfect attendance. Additionally, each week, we also celebrate student caught being safe, respectful and responsible. We have our BEST drawing each Friday at 1:00. Honoring achievements and positive choices are our main focus for FDS. Studies prove students excel in an environment that reinforces positive rewards and encouragement.

We are a PBIS school and work daily to focus on those positive behavior choices. I look forward to Thursday's celebration. Please join us for these award ceremonies. The TK-3rd grade award ceremony will be in the gym at 9:00am, followed by the 4th-6th grade ceremony at 1:00pm and the 7th-8th grade ceremony at 1:45pm.

"What is PBIS – a Definition

In 1997, an amendment of the Individuals with Disabilities Education Act (IDEA) included the language, "Positive Behavior Interventions and Supports," which described methods used to identify and support desired behaviors in the school setting. The educational research community has been developing and studying Positive Behavior Interventions and Supports (PBIS) ever since. PBIS seeks to reduce or eliminate poor behavior schoolwide through the encouragement of positive behaviors."
https://www.pbisrewards.com/blog/what-is-pbis/

If you would like to know more about PBIS please use the link provided: Their website does an amazing job of describing the whys of a schoolwide program to encourage positive behaviors.

Have a wonderful weekend. ~Mrs. Kattenhorn
