

Foresthill Divide School

Be Safe

Be Respectful

Be Responsible

March 29, 2019
Volume 1, Issue 10

Principal's Corner

I wanted to take a moment and remind families about our attendance policy. Our first LCAP goal (Local Control and Accountability Plan) addresses improving attendance. Last year our average attendance was 94.8%. We are not on track to meet or exceed that number so far this year. Last year we had 42 students with 10 or more absences. This year so far we have 72. I know the flu and many other sicknesses have hit FDS and families very hard. Additionally the snow and ice was a factor for some families as well as being able to transport your student safely.

As a reminder, if you have reached the 10 excused absences you will need a doctor note for each additional absence or it will be considered unexcused.

If your child has a chronic health issue please ask the front office staff to provide you a form you can take to the doctor, have them fill it out and return it to us and we will keep it on file.

Please notify the front office when your child is absent. Illness is an excused absence...vacation is not :(

Student attendance is one of the biggest predictors of student success. Hopefully the warmer weather will support healthy immune systems and we will be able to meet our LCAP goal of 95% overall attendance.

Have a wonderful weekend. ~Mrs. Kattenhorn

UPCOMING DATES

April:

5th—TK/Kinder Round-Up

8th—Board Mtg 6:30 pm
