Principal's Corner

Happy Friday FDS Families:

This week we had a situation occur when the powerlines went down on Foresthill Road.

We gathered all of the information, figured out transportation and notified all staff. Then I sent a robo-call to alert all families that the buses would be running late.

Directly after sending the robo-call, I headed to the front office to support with any parent pick up that would happen due to the bus issue.

While I was in the office we answered **62** phone calls from families calling the school saying "I just had a call from the school", and wanting us to state what the robo-call said. All seven of our phone lines were lit up for an extended period of time, thus tying up all available lines to dial out.

We are asking for your support when a robo-call goes out. Please take the time to listen to the entire message. I give as much information as possible on the message.

Had this been an actual emergency and we needed to receive communication from the Sheriff's department, or any other agency, they would have had trouble getting through. Please listen to the entire message and only call the school if you have an emergency situation.

We do understand that it is scary when you get a call and are not certain what is happening. We will put out calls as often as necessary to keep you informed of the situation.

PARKING LOT SAFETY

As a review, please remember that we all must work together to ensure the safety of our families as we move in and out of the school parking lot. Here are a few reminders of the safety rules for our parking lot and bus loop.

1. Do not park in a handicapped spot if you do not have a handicap placard.
2. Do not park near the bus loop gates as you block the sight line for bus and van drivers
3. Please use the crosswalk when coming on campus and when exiting campus.
4. Pull up as far as you can when you are in the pick-up/drop-off loop.
5. Please do not use your cell phone while in the loop.
6. There is no parent pick up or drop off in the bus loop.
7. Students walking home and needing to cross Foresthill Road are to get on a bus. The bus will pull out of campus and drop them off across the street.
