Principal's Corner

Happy Friday FDS Families:

Wow that was a crazy week! Thank you for your patience as we traversed the weather. I believe my snow dance was effective and we should be in the clear for now!

Thank you to our M&O crew, our bus and van drivers and all staff for being amazing at your jobs and helping to ensure safety for all.

I know the robo-calls have been frequent, but I needed to ensure all families know the plan. It is my responsibility to ensure safety first and foremost.

Looks like rain next week. That seems easy now! I wish you all a wonderful weekend.

Our Academic Calendar for next school year was approved and is posted on our website. [Www.fusd.org](http://www.fusd.org)

PARKING LOT SAFETY

As a review, please remember that we all must work together to ensure the safety of our families as we move in and out of the school parking lot. Here are a few reminders of the safety rules for our parking lot and bus loop.

1. Do not park in a handicapped spot if you do not have a handicap placard.
2. Do not park near the bus loop gates as you block the sight line for bus and van drivers
3. Please use the crosswalk when coming on campus and when exiting campus.
4. Pull up as far as you can when you are in the pick-up/drop-off loop.
5. Please do not use your cell phone while in the loop.
6. There is no parent pick up or drop off in the bus loop.
7. Students walking home and needing to cross Foresthill Road are to get on a bus. The bus will pull out of campus and drop them off across the street.
